

Drop-off Pick-up

MORNING DROP OFF

- Students can be dropped off at school **AFTER 8:30 a.m.** Staff is not on duty until then.
- Pull all the way forward in the outer drop off zone. Have your child exit the vehicle quickly. (This is a "Hug and Go" lane)
- Do not use the center lane for dropping off your child - the center lane is for exiting the parking lot only.
- If your child needs your assistance with getting out of the car, please find a parking spot

AFTERNOON PICK UP

- Park your vehicle in a parking space and walk to the sidewalk to meet your child. Families are welcome to park in the parking lot on the far side of the fire station as well as the closer lot.
- Please do not idle your car while waiting to pick up your child—the exhaust is not healthy for children to breathe.
- All children should be picked up at 4:00 p.m. (Monday - Thursday) or 2:00 p.m. on Friday
- If you cannot be here to pick up your child at 4:00 p.m. (2:00p.m. on Friday), we can assist you with setting up after school care through the Extended Hours program.

PLEASE RESERVE HANDICAP PARKING FOR THOSE WHO ARE HANDICAPPED

School Bus

Bus transportation is provided to children in the Pomona attendance area who live more than two miles from school. Families who live closer to the school may contract privately with STA if it will not cause deviation from the existing routes. Information on specific bus number, bus stop, and stop time for individual students is available at the school office, on the district transportation web page, or from STA (697-1050).

The bus loop is for **BUSES ONLY 7:30 a.m. - 4:30 p.m.** -STUDENTS ARE NOT TO BE DROPPED OFF IN THE BUS LOOP

Bikers & Walkers

Staff are at the crosswalks on Patterson Road and 25 1/2 Road before and after school to assist children in crossing these busy streets.

We ask that bikers walk their bikes on school grounds. This ensures student safety for walkers and bike riders. Bicycles should be parked in the bicycle racks on the north side of the main building. We strongly encourage locking all bikes and wearing bicycle helmets.
